Sponsorship Alternatives

Individual Team

Sponsors are also welcome to give cash donations directed towards a single team (of their choice). What promotional activities the benefiting team and/or club will do in return will be discussed on a case-by-case basis

Non-cash Donations

If you or your company would like to contribute something other than a cash donation, there are several items that could be equally useful for our teams and coaches. See below for a list of single items, as well as team sets that would be of high value to us.

Single Items

Ipad / Ipad Pro, ball carts, volleyball, team activity vouchers, hotel/restaurant gift cards

Team Sets

Shorts or spandex, backpacks, water bottles, exercise bands, foam rollers, socks, towels

Notes

- Which team / coach receives the item(s) donated is at the discretion of the sponsor
- If applicable, the sponsor may brand the item(s) as they see fit
- What promotional activities the benefiting team and/or club will do in return will be discussed on a case-by-case basis
